

## CONSERVATION COUNCIL FOR HAWAI'I

### 2011 Poster Partner Invitation & Form

July 21, 2011

Aloha. Each year, the Conservation Council for Hawai'i produces an educational wildlife poster celebrating Hawaiian species and ecosystems. Please join us this year as a 2011 Poster Partner, and help produce and distribute this popular educational tool. The posters are distributed free of charge to every public, charter, private, and Native Hawaiian Language Immersion school in Hawai'i. Posters are also given to environmental, Native Hawaiian, and community organizations, environmental educators, kūpuna educators, youth organizations, elected officials, agencies, and the general public on request.

This year's poster celebrates Hawaiian anchialine pools – a little-known aquatic ecosystem that supports 'opae 'ula – tiny red shrimp. The poster will also feature an extinct flightless rail that used to grace the lowlands, and native vegetation that naturally occurred on lava flows near the anchialine pools. It promises to be a very interesting poster.

We commissioned wildlife biologist and artist, Patrick Ching, to create the original artwork for the poster, and Barbara Mayer to write the teacher's guide on the back of the poster. We also have a scientific advisory committee to help guide the project.

If you would like to help fund the poster, please fill in the Poster Partner Commitment form on the back of this letter, and mail it to CCH PO Box 2923 Honolulu HI 96802 or fax it to us 808 593-0255 (Honolulu) **by December 1, 2011.**

1. Please send a check made out to Conservation Council for Hawai'i and mail it with the completed Poster Partner Commitment Form to PO Box 2923 Honolulu HI 96802.
2. Or, you can charge your donation (VISA or MasterCard) by calling us at 808 593-0255.

Feel free to contact me if you have any question me at [mz@conservehi.org](mailto:mz@conservehi.org) or 808 593-0255. Mahalo nui loa!

Sincerely,

Marjorie Ziegler
